Social networking is just for the kids. Oh no it's not!

We are becoming very knowledgeable in this area of networking. When it is used in combination with face-to-face networking it can really help gain new business.

LinkedIn is for your business if you want.

- to act and not react in this new business climate.
- to approach warm leads and avoid cold-calling.
- more business opportunities at virtually no cost relevant colleagues
- become comfortable pro-active business developers.
- satisfied clients to introduce you to their contacts in an organised and carefully targeted manner.
- colleagues to create more cross-selling opportunities.
- to be involved in modern up-to-date business development techniques.
- Kintish are now running seminars on this exciting topic to help you - get the most out of LinkedIn, by complementing your offline
- networking with more modern, upto date methods.

We show you,

- How to get started
- How to feel comfortable with the technology
- How to build your and your business's global profile
- How to build your network
- How to make introductions
- How to connect with up to 40m+ people!
- How to get lots of testimonials?

GoToWebinar is a service provided by: Citrix Online | 6500 Hollister Avenue | Goleta, CA 93117

After you have registered your details and been approved by the webinar organiser, you will receive a confirmation email that look like this one here.

This is the link that you will use to join the webinar. This link is unique for you and should not be shared with others.

You will receive this email once you have registered, one day before and one hour before the webinar. If you have not received these emails then please contact us on 0161 773 3727.

It is possible that this could have gone into your junk mail so always double check!

If you work at a Bank or other large company with high security settings then we recommend you get in touch with your IT department to check the settings. We can run complimentary tests to make sure that it works if required.

GoToMeeting
CORPORATE

Now with **GoToWebinar**

Joining Webinar...

You don't need to purchase GoToMeeting or sign up for a trial to join a meeting. Please wait a few seconds while GoToMeeting downloads automatically. Then click "Yes" or "Always" to accept the security credentials and follow the prompts for further instructions.

Click "Yes" or "Always" if prompted.

Need Help?
If GoToMeeting does not start within one minute, [manually download the software](#) and click "Run" or "Open" when prompted. (You may be asked twice.)

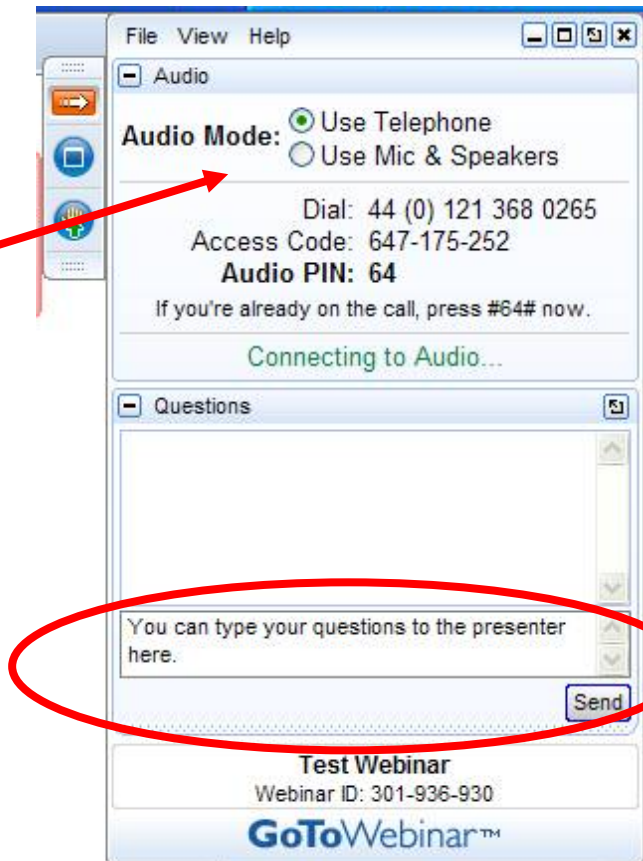

About 10-15 minutes before the webinar, click the link in your confirmation email and this is the screen that you will see.

Please be patient, it does take a few minutes to log in. There is no need to manually download the software.

Here is your toolbar for the webinar.

You can decide how to listen to the webinar here, and how to dial in using a telephone if you prefer.

If you wish to ask the presenter a question then you can do so here. The presenter will try to answer as many questions as they can during the webinar, but any unanswered questions will be answered directly by email afterwards if there is not enough time.

If you are ever unsure about any of the steps described in this webinar guide, please feel free to call us on 0161 773 3727 with your questions and comments.
